

ADDITIONAL CONDITIONS TO EXHIBITION RULES

Compliance with Laws

Exhibitor shall observe and abide by all applicable federal, state, and local laws, codes, ordinances, rules, and regulations, as well as all rules and regulations of PennWell and the Exhibition hall. Exhibitor shall conduct itself, and shall require its agents, employees, independent contractors, and representatives, to conduct themselves, at all times in accordance with customary standards of decorum and good taste in the industry.

Exhibits

Unightly booths. Any unightly booth areas must be masked off by Exhibitor. This is commonly done with drape. PennWell, in its sole discretion, will determine whether or not booths are unightly or have unightly areas.

Booth Backwalls. The standard booth height limit at the Exhibition is eight (8) feet, but this limitation is also determined by Exhibitor's booth size and location on the floor. The following chart will show the acceptable heights. **However, any exhibit exceeding eight (8) feet in height (including signs) must be approved by PennWell regardless of booth size or location.** If Exhibitor desires to exceed the standard heights, Exhibitor must submit a request in writing along with a rendering of the proposed booth for approval to Heather Hodges by email at hhodges@pennwell.com or Sue Ellen Rhine at sueellenr@pennwell.com or by fax to +1 918/831-9729

Inline Booth	Perimeter Booth (against a wall)	Peninsulas	Island Booth (aisles on all sides)
8'	12'	8'	16'

All height restrictions are subject to physical limitations of the Exhibition hall. Prior to construction, Exhibitor has the responsibility to check on height capabilities for Exhibitor's assigned location.

Columns. Exhibits with a full column in the booth area may utilize the column to enhance the booth design, provided fire cabinets and strobe lights remain visible and accessible. Column widths vary in size and PennWell recommends that Exhibitor contact its Exhibitor Services Manager if Exhibitor has any questions. Exhibitor may use the columns to the maximum height within the perimeter of the booth only. Consult with Michele Premone, Brede for specific measurements and location of columns prior to installation. **Note: Columns with fire houses will require special attention so that fire hoses remain accessible**

Two-Story Booths.

Certificates of construction may be required for double-decker booths. If Exhibitor desires to utilize a two-story booth, Exhibitor must submit such certificate to Heather Hodges or Sue Ellen Rhine prior to February 15, 2012 for approval.

Aisles. All aisles must be clear of exhibits. Interviews, demonstrations, and distribution of literature must be made inside Exhibitor's booth.

Booth Number. A booth number must appear on all specially-built backwalls. No signs are allowed above the permissible backwall height.

Installation. All Exhibitor displays must be completely installed within the time designated by PennWell for this purpose.

Carpet. Exhibitor must carpet its booth(s) or use other floor covering. Concrete floor may not be exposed.

Copyrighted Materials

Exhibitor agrees not to play, broadcast, perform, or distribute any copyrighted material owned by others without first obtaining (at its own expense) all necessary rights and licenses and paying in full all required royalties or other fees.

Exhibit Activities/Demonstrations

"Live" demonstrations and costumed characters for the purpose of promoting Exhibitor's products will be permitted on the Exhibition floor

only within the confines of Exhibitor's booth. Exhibitor shall not conduct any activities in aisles or in space other than Exhibitor's booth space. All sound amplification devices and other sound-producing equipment and activities shall be limited to reasonable volume levels (no louder than 80 decibels) which shall not project beyond the boundaries of Exhibitor's booth space or otherwise interfere with the Exhibition or other exhibitors' activities. An audiometer may be used to measure sound levels. PennWell reserves the right to bar or eject Exhibitor from the Exhibition and/or close Exhibitor's booth for failure to comply with any provision of the Agreement.

No Assignment

Exhibitor understands and agrees that it may not assign the Agreement, in whole or in part, or any rights thereunder to any third-party without the prior written permission of PennWell. In addition, Exhibitor is not authorized and has no right to sublet any portion of its exhibit space or booth without the prior written permission of PennWell.

Limited License in Exhibitor's Name

Exhibitor grants to PennWell a fully-paid, perpetual, worldwide, non-exclusive license to use, display, and reproduce (in print, electronically, or otherwise) Exhibitor's name, trade names, logos, and product names in any listing of those companies exhibiting at or registered to exhibit at the Exhibition and in Exhibition promotional materials. In addition, Exhibitor authorizes PennWell to take photographs of Exhibitor's booth, exhibit, and staff during, before, or after the Exhibition and to use such photographs for any legitimate promotional purpose of PennWell.

Booth Specifications

- Linear booths (8'-high pipe with red and black back wall and 3'-high pipe with black side rails). Peninsula booths receive 8'-high pipe with drape back wall where necessary.
- **BOOTH CARPET IS REQUIRED FOR ALL EXHIBITS** and may be ordered by the individual exhibitor from Brede. Carpet prices from Brede are inclusive of drayage and labor. All FDIC main aisles are carpeted black.
- 7" X 44" booth identification sign with company name and booth number.
- Daily aisle cleaning is provided by show management, but individual booth cleaning is the sole responsibility of the exhibitors.
- Ceiling Heights:
 - Indiana Convention Center Halls A - K – 35 ft.
 - Lucas Oil Stadium – 290 ft.
 - Lucas Oil Stadium Exhibit Halls - 27' (slopes to 17' in overhang area)
 - 500 Ballroom – 22 ft.
 - Indiana Convention Center hallways – 20 ft.

**Thank you for your continued support and exhibiting at FDIC.
We value your partnership and look forward to a successful FDIC 2011.**
