CARPETING

Carpet is required for all booths in Lucas Oil Stadium and ICC Exhibit Halls. Carpeting must cover your entire exhibition booth area (even under apparatus) and bump up to the aisle carpet, where possible. Please order carpet from the Brede section of this manual, or on-site by visiting the Brede Service Desk. You may choose to bring in your own carpet; however, material handling fees will also apply to carpet. **As a reminder: All booths must be carpeted entirely.** Carpet prices from Brede are all inclusive, meaning labor is included. Any carpet brought in by exhibitor or an EAC will be charged drayage and/or labor fees if applicable, as well as an EAC processing fee.

Any exhibitor with apparatus must have carpet or flooring shipped in advance to the warehouse by April 16, 2012, or order through Brede.

All ICC and LOS booths with apparatus must have carpet laid by Saturday at 4pm. If you do not have carpet laid by this time, it will be forced and the exhibitor will be responsible for all charges. If you have questions regarding carpeting, please contact Brede.
